2. When the glorious sun has set,
And the grass with dew is wet,
Then you show your little light,
Twinkle, twinkle, all the night.
Twinkle, twinkle, little star,
How we wonder what you are.

3. When the golden sun doth rise,
Fills with shining light the skies,
Then you fade away from sight,
Shine no more 'till comes the night.
Twinkle, twinkle, little star,
How we wonder what you are.
